Program Description

Purpose of Adult High School Pilot:
Establish an alternative method for adults who did not graduate from high school to earn a high school diploma and potentially to earn postsecondary education credits and industry-recognized certification in an environment that meets the needs of the adult learner.

Authorization:

Number of Pilots: Up to six pilots may be approved.

Priority:
Absolute priorities:

- A pilot established in a county or geographic area located within a county that has a high school attainment rate that is lower than the state average high school attainment rate.
- One pilot in a rural area for each two pilots approved in urban areas.

Priority considerations: Geographic diversity

Eligible Applicants:
A private nonprofit entity is eligible and is required to:

- Be registered as a nonprofit organization in the State.
- Have previous experience and measured success in providing education services, including industry certification and job placement services, to adult learners.
- Have previous experience providing education services or workforce development services to adult learners who have been limited by educational disadvantages, a disability, a criminal record, or similar barriers to employment opportunities.
- Hire appropriately trained instructional personnel.

Funding: (Public funding is not provided for the pilot.)
A pilot established under the program is not a public school for public financing purposes under Title 5 of the Education Article.

The operator must secure financing to develop or the capacity to secure financing for the development of a physical site for the pilot.

The operator or advisory board of a pilot may apply for and accept donations, grants or other financial assistance from a governmental entity or any nonprofit or other private organization.
