

# Higher Education Act: Title II Update Deans and Directors of Teacher Education

## *Title II Reporting Schedule*

- **Institution Reports due to MSDE for HEA: Title II**
  - ETS has sent each institution its program completer spreadsheets on the Praxis scores for the 2006-2007 cohort. They have also sent the three-year update for the 2003-2004 cohort, as required by law.
  - The ETS spreadsheets are part of the Appendix C report from the institutions due to MSDE on **April 7, 2008**.
  
- **State Reports due to the federal government for HEA: Title II**
  - MSDE completed the 2005-2006 cohort due to the federal government on October 9, 2007. This report used the information from the IHEs sent to MSDE April 2007. Westat, the federal contractor, compiles all state reports and sends a final report to USDOE. All reports (current and back ones) are available on their website at [www.title2.org](http://www.title2.org).
  - MSDE will compile the 2008 report, due October 9, 2008, via the internet this summer through the Westat website.
  
- **USDOE reports to Congress**
  - In the fall of 2006, the USDOE released a report on the results of the 2004-2005 cohort to Congress, *The Secretary's Fifth Annual Report on Teacher Quality: A Highly Qualified Teacher in Every Classroom*. **HEA: Title II**. This report can be viewed at [https://title2.ed.gov/Title\\_II\\_06.pdf](https://title2.ed.gov/Title_II_06.pdf)
  - The 2007 Secretary's Report is not yet available.

**REMINDER:** The *HEA:Title II* law requires IHEs to publish their institutional reports, including Praxis/ACTFL Test results, in their catalogs and in other student and promotional materials.
