

Every Student Succeeds Act (ESSA)

Stakeholder Meetings/Outreach

In developing Maryland's ESSA Consolidated State Plan, the Maryland State Department of Education (MSDE) is seeking input and feedback from all interested stakeholder groups. The meetings below reflect presentations and discussions with various stakeholder groups with a commitment to further the outreach. MSDE will also have an online survey and more opportunities for individuals to contribute their thinking to the plan. Maryland has always been an inclusive State and values the opinions and positions of all stakeholders which will contribute to the development of a Draft Plan to be submitted to the State Superintendent and State Board. Together we will ensure that all students are college and career ready.

Meeting	Date	Presenter
