

**The Maryland State Department of
Education
One Day Survey of School Bus
Stop Arm Violators**

2019

The Maryland State Department of Education One Day Snapshot of School Bus Red Light Violators.

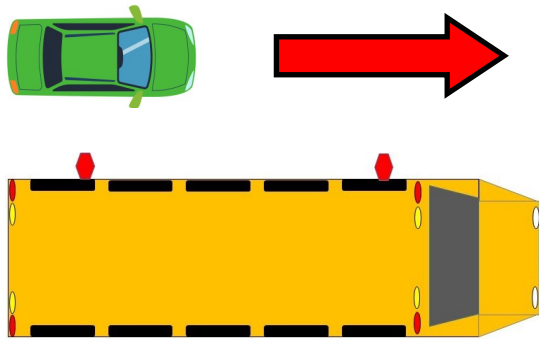

The Maryland State Department of Education (MSDE) coordinated this survey in April along with school transportation directors in all 24 school systems. It is considered a one day snapshot of motorist illegally passing a stopped school bus.

The information contained in this report is self-reported by School Bus Drivers across the State. School Bus Drivers are knowledgeable about red light runners and their danger to students they cause.

The National Association of State Directors of Pupil Transportation Services has, and continues to conduct surveys of this type in all 50 States.

The MSDE wishes to thank the 24 Local School Systems for their participation in gathering this information and the dedicated School Bus Drivers that continue to keep children safe.

This is an example of REAR violation on the LEFT side of the stopped school bus. The green car passes the bus from the REAR on the LEFT (driver) side.

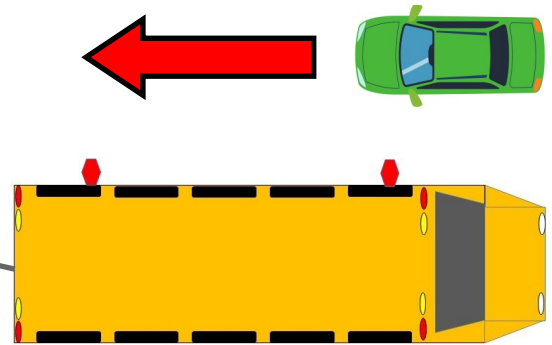

Passed From = REAR

Side of Bus = LEFT

This is an example of FRONT violation on the LEFT side of the stopped school bus. The green car passes the bus from the FRONT on the LEFT (driver) side.

Passed From = FRONT

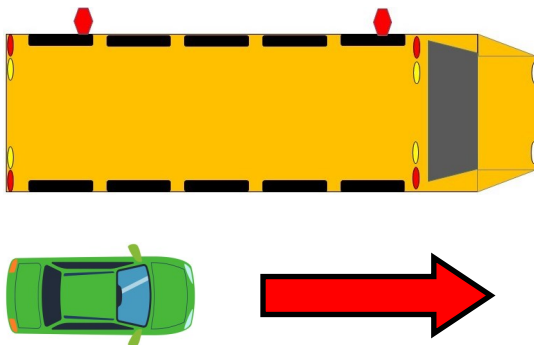

Side of Bus = LEFT

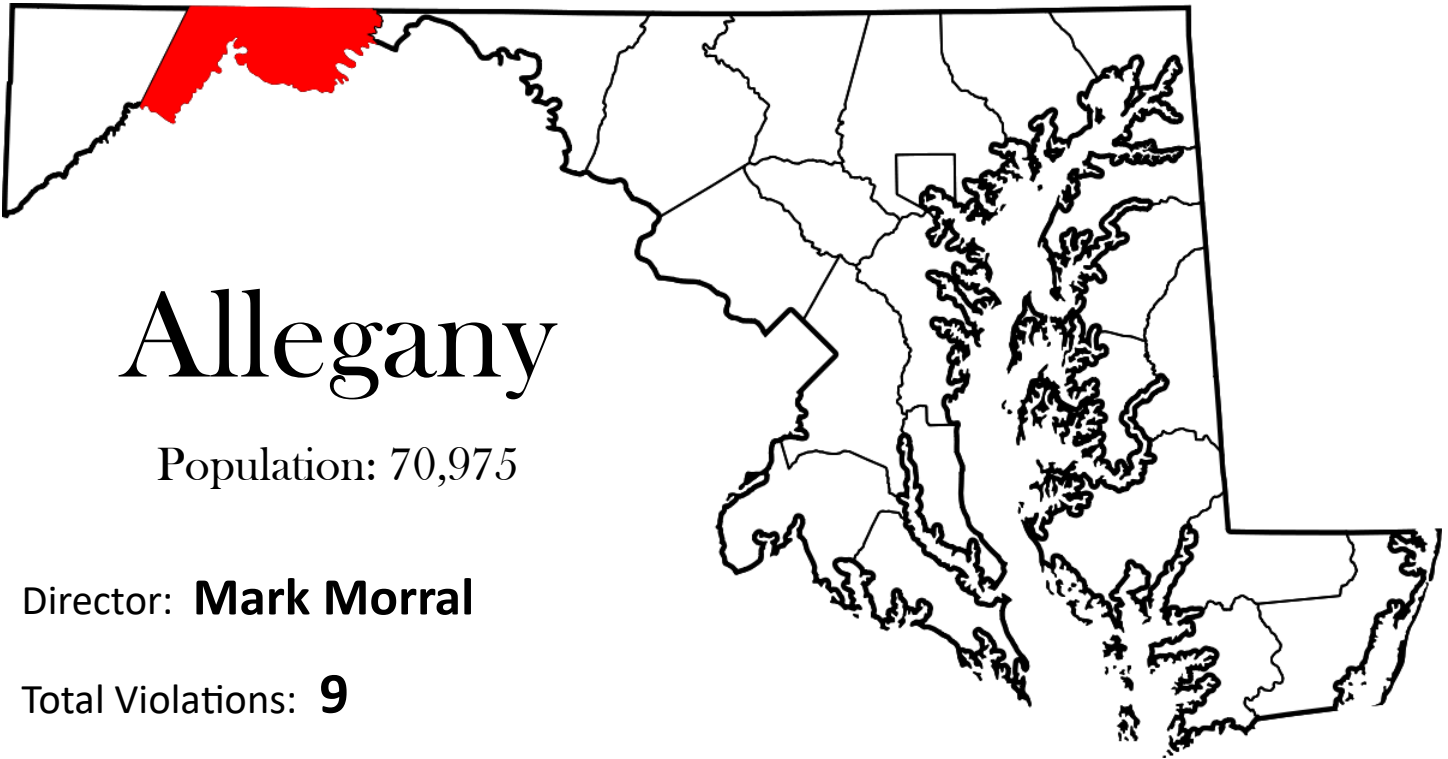

This is an example of REAR violation on the RIGHT side of the stopped school bus. The green car passes the bus from the REAR on the RIGHT (passenger) side.

Passed From = REAR

Side of Bus = RIGHT
