

SUMMER 2018

The Office of Leadership Development and School Improvement provides targeted professional learning experiences designed to foster the growth of effective leaders. Described below are summer workshops and year-long academies that supports the transition to the Professional Standards for Educational Leaders (PSEL); implementation of effective evaluation practices; preparation of the next generation of school principals; and implementation of evidence-based practices that support school improvement. Register to participate using the links beneath the descriptions. Additional information may be found on the following webpage:

<http://www.marylandpublicschools.org/about/Pages/OTPE/index.aspx>.

Questions about the professional learning experiences may be directed to Dr. Brian Eyer, Leadership Development Specialist, at brian.eyer@maryland.gov or 410.767.0725.

PROFESSIONAL LEARNING EXPERIENCES

PRINCIPAL SUPERVISORS: MAY 14, 15, AND 21, 2018

Target Audience: Principal Supervisors

One day, regional workshops will be held that focus on evidence to support the PSEL rubric descriptors, equitable practices for school leadership, and summer professional learning experiences for school leaders.

Registration: <https://www.surveymonkey.com/r/PrincSup>

UNPACKING THE PROFESSIONAL STANDARDS FOR EDUCATIONAL LEADERS (PSEL): MAY 2018

Target Audience: Principal Supervisors, Principals, Assistant Principals, and School Leaders

Four 30 minute interactive online workshops will be available to unpack each of the standards and provide examples of what effective implementation looks like.

Registration : <https://www.surveymonkey.com/r/2018webseries>

PROMISING PRINCIPALS ACADEMY: JULY 2018 - JUNE 2019 (SUMMER KICK OFF: JULY 24, 25, AND 26)

Target Audience: Assistant Principals, Central Office Staff or Teacher Leaders with an Administrator II endorsement and have been selected by the Superintendent or Chief Executive Officer of the school system.

This yearlong academy is designed to equip participants with the skills and knowledge to successfully transition to the principalship.

Registration: <https://www.surveymonkey.com/r/PromisingPrincipalsAcademy>

EVALUATOR TRAINING: JUNE - AUGUST 2018

Target Audience: Principals and Assistant Principals
A two day training on effective formal and informal evaluation practices will be held regionally. This training will focus on providing actionable feedback, conducting observations, writing evaluation reports, documenting evidence, and other effective evaluation practices of educators.

Registration: <https://www.surveymonkey.com/r/EvaluTraining>

LEADING FOR SCHOOL IMPROVEMENT INSTITUTE : JULY 2018 - JUNE 2019 (SUMMER KICK OFF: JULY 24, 25, AND 26)

Target Audience: Principals from select schools

This yearlong institute is designed to equip principals with the skills and knowledge to successfully improve their school. In-depth training will be provided on identifying needs, data-informed decision making, improving student outcomes, engaging the community, and transforming instruction and school culture. Participants function as a community of practice led by leadership coaches to support the continuous improvement cycle.
