CLAUDE E. KITCHENS OUTDOOR SCHOOL at FAIRVIEW

"The Mission of the Claude E. Kitchens Outdoor School at Fairview is to prepare students through unique experiences to be lifelong learners and responsible citizens by developing a global understanding of the environment in which they live."

STEM is integrated into the existing 5th grade program by design and also embedded within day trips that Fairview staff facilitates.

http://claudekitchensoutdoorschoolatfai.weebly.com/

Students learn about how human actions can impact ecosystems.
