Did you know that school systems can request their own section/s of MSDE online courses?

School systems may request their own section/s of MSDE online courses. These courses require a qualified online facilitator provided either by the school system or MSDE.

Educators must meet all of the requirements outlined in this brochure to become a qualified online facilitator.

Requests for school system sections of online courses must be generated from the system's central office.

Regulations

Senate Bill 674 (2012)
Section 7-1002

COMAR 13A.04.15
