

**Are you a parent?
Are you a Home Visitor?
Are you an Early Childhood Provider?
Are you a member of the community who cares about the
health and well-being of children in Maryland?**

We want to hear from you!

Home visiting refers to:

What: Visits from trained home visitors, who support parents and their children in their homes, or where they may feel most comfortable.

Why: To help families get information, resources, referrals and support for their child and themselves.

Where: In the family's home, or in other settings.
