10:07 AM

Welcome

- The SFVC co-chairs called the meeting to order, and quorum was confirmed.
- Members reviewed the group norms and expectations and approved the minutes from the previous meeting for publication by a vote of 11 – 0.

10:18 AM

Recap

- Members reviewed information regarding Maryland's Comprehensive Health Education Programs and the results of the Strengths, Weaknesses, Opportunities, and Threats (SWOT) analyses.

10:29 AM

Discussion

- Members discussed the following questions:
 1. How could altering Bloom's Taxonomy verbs impact student achievement?
 2. Can we rely on evidence-based community partners to provide local education agencies with the desired supplemental materials (i.e., glossary and skill cues)?

11:48 AM

Vote

- The co-chairs initiated votes on two proposed actions.
 1. Members voted 8 – 3 – 1 in favor of revising the standards and framework.
 2. Members voted 12 – 0 in favor of using SHAPE America’s 3rd Edition of the National Health Education Standard as the base model for the revised State Framework instead of the National Consensus for School Health Education’s 3rd Editions of the National Health Education Standards.

12:03 PM

Standards and Frameworks Development

- Members compiled a list of potential topics and supplementary materials that can be included in the revised framework.
- Members also discussed their preferred strategies regarding tailoring the framework at future meetings.

12:47 PM

Member Comments

- Members expressed a desire to make all future meetings hybrid.
- Members expressed a desire to dedicate time at a future meeting to discussing potential changes to COMAR 13A.04.18.01.
- Members brainstormed ways in which the committee could communicate with evidence-based community partners regarding the health education skills.

12:55 PM

Adjournment

- Next meeting: Hybrid | January 15th from 9 AM - 12 PM
