Definitions

Average Daily Attendance - aggregate number of student days attended divided by the number of days schools were open

Average Daily Membership - aggregate number of student days in membership divided by the number of days schools were open

Dropout - a student who leaves school for any reason, except death, before graduation or completion of a Maryland approved education program and is not known to enroll in another school or state-approved program during the current school year

Graduates - students who completed all requirements to receive a Maryland High School Diploma

Holding Power - the percent of students who graduated four years after entering the ninth grade, or the number of graduates divided by the ninth grade enrollment four years earlier

LEA - local education agency

Nonpublic Schools - any private, parochial, or church exempt entity that provides an education program outside the public jurisdiction

Other Completers - students who completed a program that led to a certificate of completion. At the present time, this category includes only special education students.

Parent Teaching - students who are instructed at home under the supervision of their parent or guardian (COMAR 13A.10.01)

Percent Average Daily Attendance - aggregate number of students in attendance divided by the aggregate number in membership

Re-entry - student who returns to school after having dropped out of any public school

Transfer - student who enters from, or leaves to attend, another public or nonpublic school, either in or out of the LEA or state
