

***Maryland Approved Programs
Traditional Preparation Directory
September 2021***

For information on Maryland Approved Programs: Traditional Preparation, contact the Maryland State Department of Education (MSDE), Division of Educator Certification and Program Approval, Program Approval and Assessment Branch at pamela.darien@maryland.gov. For information about a specific program, or to seek guidance on entering a program, contact the local program individual(s) listed in this directory or on the [Teach In Maryland website](#).

All educator preparation programs listed in this directory meet the content and pedagogy requirements necessary for State Program Approval and lead to State educator certification. Any program area with a "*" indicates that program area is available to be completed in a 100% online format, but the college or university may also offer that program area in a physical classroom setting. Contact the college or university directly regarding the available program offerings.

For information on policies and procedures concerning Traditional Preparation, visit the MSDE Website, Division of Educator Certification and Program Approval, Teacher Preparation and Program Approval.

Key for Approved Program Type
