Re: Report required by Education Article § 5-111.1 (MSAR# 11322)

Dear President Ferguson and Speaker Jones:

Pursuant to Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local school agency (LEA) is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for **Frederick County Public Schools** is attached for your review. Should you have questions or need additional information, please contact Dr. Frank Vetter, Director of Assessment, Data Reporting, and Strategic Improvement, by phone at 240.586.7358 or email at Frank.Vetter@fcps.org.

Sincerely,

A handwritten signature in blue ink that reads "Cheryl L. Dyson". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
