In accordance with Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local education agency is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for Montgomery County Public Schools is attached for your review.
