Re: Report required by Education Article § 5-111.1 (MSAR #11332)

Dear President Ferguson and Speaker Jones:

Pursuant to Section § 5-111.1 of the Education Article, Annotated Code of Maryland, each local school agency (LEA) is required to report to the Maryland State Department of Education and the General Assembly of Maryland the number of students receiving specialized intervention services. This report includes the grades in which specialized intervention services were provided, and budget information, including all federal, State, and local funds for specialized intervention services, including screenings, evaluations, materials, professional development, and staffing.

The report on specialized intervention services for Talbot County Public Schools is attached for your review. Should you have questions or need additional information, please contact Robin Werner, Director of Teaching and Learning, by phone at 410-822-0330 or email at rwerner@talbotschools.org.

Sincerely,

C: Sarah Albert, Department of Legislative Services (pdf of report and 5 hard copies)
