SUBJECT: 2023 United States Senate Youth Program

The Maryland State Department of Education (MSDE) is pleased to announce an opportunity for two Maryland students to participate in the 2023 United States Senate Youth Program (USSYP). Each year, two students from every state and the District of Columbia are selected to attend a week-long government and leadership program in the nation’s capital, Washington, D.C. This program, now in its 61st year, is fully funded by the William Randolph Hearst Foundation. The USSYP has an excellent reputation for providing outstanding student leaders with a unique experience in understanding our nation’s political process. The one-week program allows students the opportunity to meet with legislative, executive, and judicial leaders to discuss political issues that affect our nation. Each participant also receives a one-time \$10,000 undergraduate college scholarship and is encouraged to pursue coursework in history and political science.

The attached guidelines outline the process that will be used to nominate two students to represent Maryland. Please disseminate this guidance to all high school principals to ensure eligible students have an opportunity to participate.

Nomination forms may be scanned and emailed to ussyp.msde@maryland.gov. If you need additional information, please contact Reginald Burke, Director, Youth Development Branch, Division of Student Support, Academic Enrichment, and Educational Policy by email at reginald.burke@maryland.gov or by phone at (410) 767-0358.

2022-2023 UNITED STATES SENATE YOUTH PROGRAM

OBJECTIVE

The United States Senate Youth Program (USSYP), funded by the William Randolph Hearst Foundation, is sanctioned by the United States Senate under the authority of Senate Resolution 324, passed by unanimous vote on April 16, 1962.

The program was developed for outstanding high school student leaders interested in political science. The objective of the program is to provide these students with opportunities to observe and converse with elected and appointed government officials at the national level.

PROGRAM FORMAT

The State Superintendent of Schools, in accordance with the rules outlined below, selects two elected high school students. The selected students will receive an all-expense-paid one-week trip to Washington, D.C. Two alternates will also be selected to replace primary delegates in the event that they are unable to participate in the program. The program will be held March 4-11, 2023, and may be held online pending public health guidance, to be determined in the fall of 2022. Plans are being made to have students meet with their State senators, members of the cabinet, and other government leaders. Students will also tour many of Washington's historic landmarks.

SCHOLARSHIP

A \$10,000 scholarship, subject to the conditions and requirements established by the William Randolph Hearst Foundation, will be awarded to each student participating in the program. Additional information concerning the scholarship will be provided to each delegate upon their arrival in Washington.

ELIGIBILITY RULES

1. High school juniors or seniors currently serving in any of the following elected or appointed positions during school year 2022-2023 are eligible for nomination:

 - d. Student representative elected or appointed (appointed by a panel, commission, or board) to a local, district, regional or state-level civic, service and/or educational organization approved by the state selection administrator.

Note: Students serving in elected or appointed positions not mentioned above are not eligible to participate. If the student council or class organization of a school has an elected or appointed position that is not listed in 'a' or 'b' above, an explanation of the position must be attached.

Any high school junior or senior student who has previously been a delegate to Washington Week and received an USSYP scholarship is not eligible to participate.

2. Participation in academic clubs and/or educational competition programs or conferences does not qualify a student for the USSYP, although many students who qualify participate in programs of this nature. The positions listed below do NOT qualify the student for the program:

(For exemptions refer to the brochure under *How to Qualify #3*)
4. All students, regardless of race, color, sex, age, national origin, religion, disability, or sexual orientation are eligible for selection as long as they are currently serving in an elected position as outlined in #1 above.

NOMINATIONS

Each principal may nominate one eligible student. The following suggestions may be helpful in conducting the process at the school level:

- Assign one person to coordinate the initiative and serve as a contact person;
- Disseminate information about the program by using all channels of communication;
- Ask teachers to encourage eligible students to participate;
- Use a screening process to select a nominee. The Hearst Foundation advises that the selection be based on a demonstration of leadership ability, high scholastic standing, demonstrated ability to achieve, clear speech, logical thought processes, and community involvement with participation in a wide selection of activities on and off campus. Nominees should also have a strong knowledge of, and interest in, government studies and public service; and
- Ensure that the nominee meets the eligibility requirements. Schools who nominate ineligible students will forfeit their eligibility to participate in the program.
