Important Update
Learning in Extended Academic Programs
Fiscal Year (FY) 2022 Competitive Award

The Maryland State Department of Education (MSDE) has rescinded the Learning in Extended Academic Programs (LEAP) FY 2022 Request for Proposals. Applications for this new grant competition will not be accepted at this time. The MSDE Out-of-School Time team will share information with current LEAP grant recipients regarding pertinent funding updates.

Please refer to the following website for additional information regarding the LEAP program.
