

Frequently Asked Questions

What is the MDK12 Digital Library?

- A purchasing consortium of all 24 Maryland school districts, 80+ non-public schools, and the Maryland State Department of Education.
- Negotiated prices allow subscriptions to online databases with evaluated resources, articles, and websites that support learning.
- Databases available for K-12 students, parents, and educators.

Why subscribe to online resources instead of using the free Internet?

- Ensures access to accurate, reliable, and current information selected by experts.
- Provides resources not available on the free Internet.
- Presents information at various reading levels.
- Supports differentiation of instruction.

Why do we need the MDK12 Digital Library?

- Presents quality resources for students at all grade levels.
- Supports learning with access at school and home.
- Ensures access that is more equitable by making quality resources more affordable.
- Reduces cost through statewide negotiated prices.

How can I show my support for the continuation of the MDK12 Digital Library?

- Promote its use for teaching and learning.
