Early education and child care providers!
Do you have questions or concerns about the development of a child in your care? If so, services are available at no cost to families.

Please tell families to text CHILD to 818818 or visit marylandlearninglinks.org/what-do-i-do-next/ for information about how to get help. If a child is under age 3, you or the family can make a referral at referral.mditp.org/.
