**SUBJECT:** Maryland's Every Student Succeeds Act Consolidated State Plan

---

On September 15, 2017, the Maryland State Department of Education (MSDE) submitted Maryland's Draft Consolidated Every Student Succeeds Act (ESSA) State Plan to the U. S. Department of Education (USED). On December 12, 2017, December 27, 2017, and finally on January 4, 2018, the U.S. Department of Education (USED) provided MSDE with feedback on the Plan and Maryland's resubmissions of the Plan in response to questions from USED. Maryland's final Plan was submitted on January 10, 2018. Secretary Betsy DeVos notified Maryland on January 16, 2018 that Maryland's Consolidated State Plan was approved.

We look forward to the full implementation of the Plan and sincerely appreciate the support and contributions of the State Board, the ESSA External Stakeholder Committee, the ESSA Internal Committee, multiple sub-committees, and the many stakeholders across the State who provided input on Maryland's Draft along the way. We now begin the work of full implementation of Maryland's Plan.

THE SECRETARY OF EDUCATION  
WASHINGTON, DC 20202

January 16, 2018

Honorable Karen Salmon  
Superintendent of Schools  
Maryland Department of Education  
200 West Baltimore Street  
Baltimore, MD 21201

Dear Superintendent Salmon:

I am pleased to approve Maryland's consolidated State plan under the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the Every Student Succeeds Act (ESSA), to implement the requirements of covered programs under the ESEA and of the amended McKinney-Vento Homeless Assistance Act (McKinney-Vento Act). I congratulate you on this significant accomplishment.

My decision regarding Maryland's consolidated State plan is based on input from U.S. Department of Education (Department) staff who reviewed and carefully considered the plan submitted by Maryland. Consistent with ESSA, the Department conducted a peer review of the sections in your consolidated State plan related to Title I, Part A and Title III, Part A of the ESEA and Subtitle B of Title VII of the McKinney-Vento Act. The Department only reviewed information provided in Maryland's consolidated State plan that was responsive to the Revised State Plan Template for the Consolidated State Plan that was issued on March 13, 2017. I have concluded that Maryland's consolidated State plan satisfies those requirements. Accordingly, Maryland's consolidated State plan that was submitted on January 10, 2018, warrants full approval.

Maryland's consolidated State plan remains in effect for the duration of the State's participation in the programs covered by the plan. Each State is responsible for administering all programs included in its consolidated State plan consistent with all applicable statutory and regulatory requirements even if those requirements are not addressed in Maryland's plan. Maryland must periodically review and revise the plan as necessary to reflect changes in the State's strategies and covered programs. If Maryland makes significant changes to its consolidated State plan at any time, such as changes to its accountability system or long-term goals, Maryland must submit information about those changes to the Department for review and approval. The Department will provide information on the process for amending a State plan at a later date.

Please be aware that approval of Maryland's consolidated State plan is not a determination that all the information and data included in the State plan comply with Federal civil rights requirements, including Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans

with Disabilities Act, and requirements under the Individuals with Disabilities Education Act. It is Maryland's responsibility to comply with these civil rights requirements.

Please note that this letter, with Maryland's approved consolidated State plan, will be posted on the Department's website.

It has been a pleasure working with your staff on this review. Please accept my congratulations for Maryland's approved consolidated State plan. Thank you for the important work that you and your staff are doing to support the transition to the ESSA and most importantly to lead Maryland's students to achieve at high levels. The Department looks forward to working with you to ensure that all children have the opportunity to reach their full potential.

Sincerely,

/s/

Betsy DeVos
