Purpose

The purpose of this item is to request permission to publish an amendment to COMAR 13A.06.10 *Purple Star Schools*.

Regulation Promulgation Process

Under Maryland law, a state agency, such as the State Board of Education (State Board), may propose a new or amended regulation whenever the circumstances arise to do so. After the State Board votes to propose such a regulation, the proposed regulation is sent to the Administrative, Executive, and Legislative Review (AELR) Committee for a 15-day review period. If the AELR Committee does not hold up the proposed regulation for further review, it is published in the Maryland Register for a 30-day public comment period. At the end of the comment period, MSDE staff reviews and summarizes the public comments. Thereafter, MSDE staff will present a recommendation to the State Board to either: (1) adopt the regulation in the form it was proposed; or (2) revise the regulation and adopt it as final because the suggested revision is not a substantive change; or (3) revise the regulation and re-propose it because the suggested revision is a substantive change. At any time during this process, the AELR Committee may stop the promulgation process and hold a hearing. Thereafter, it may recommend to the Governor that the regulation not be adopted as a final regulation or the AELR Committee may release the regulation for final adoption.

Background/Historical Perspective

In 2022, the Maryland General Assembly approved Education Article § 7-129 establishing the Purple Star Schools Program to recognize public schools that provide strong services and support for military-connected students and their families when, as a result of military service, a military-connected student transfers schools. In 2024, the Maryland General Assembly passed House Bill 1026/Senate Bill 707 *Armed Forces – Support of Military Families and Addition of Space Force*. This legislation adds students who are dependents of a current member of the Space Force or the National Guard of any other state to the definition of “military-connected student” for the purposes of the Purple Star Schools Program.

Executive Summary

The State Board voted to adopt COMAR 13.A.06.10 *Purple Star Schools Program* in February 2023. The proposed amendment to the regulation adds dependents of members of the National Guard of any other state to the definition of military-connected student to align with the new legislation. Dependents of members of the Space Force are already included in the regulation.
