### Executive Summary

The Maryland State Department of Education (MSDE) is amending the Code of Maryland Regulation (COMAR) 13A.07.06.03 *Incorporation by Reference* to ensure educator preparation programs align their programs to the most updated national standards. Additionally, MSDE has identified errors in the regulation that need to be corrected. Due to the volume of national standards referenced in the regulation, MSDE anticipates needing to amend this regulation annually.

### Background and Process

Under Maryland law, the Professional Standards and Teacher Education Board (PSTEB) shares joint authority with the State Board of Education (SBOE) to develop regulations governing teacher certification and preparation. When the PSTEB initiates a regulatory change, the SBOE must also review the proposed regulation. If a majority of the SBOE members approve of the regulation, the regulation promulgation process continues.

After the PSTEB and SBOE vote to approve a regulation, the proposed regulation is sent to the Administrative, Executive, and Legislative Review Committee (AELR) for a 15-day review period. If the AELR Committee does not hold up the proposed regulation for further review, it is published in the Maryland Register for a 30-day public comment period. At the end of the comment period, Maryland State Department of Education (MSDE) staff reviews and summarizes the public comments, which are presented to both boards. Thereafter, MSDE staff will present a recommendation to both the PSTEB and SBOE to either: (1) adopt the regulation in the form it was proposed; or (2) revise the regulation and adopt it as final because the suggested revision is not a substantive change; or (3) withdraw the regulation and re-propose it because the suggested revision is a substantive change. At any time during this process, the AELR Committee may stop the promulgation process and hold a hearing. Thereafter, it may recommend to the Governor that the regulation not be adopted as a final regulation or the AELR Committee may release the regulation for final adoption. The PSTEB and SBOE would then vote to formally adopt the regulation.

PSTEB granted permission to publish amendments to COMAR 13A.07.06.03 *Incorporation by Reference* on December 5, 2024.
